

Benjamin Walker

Product Designer

2025 graduate with a passion for modern, expressive interfaces.

About me

- Ample experience in individual and team work settings
- Healthy perfectionist streak: abhor the idea of leaving a task haphazardly-done
- Solid grasp of front-end web development

Facts

19-11-2001

Balmain, Sydney

Hobbies

- (A little) game design
- Graphic design
- Running
- 80s music

Education

University of Sydney

Bachelor of Design Computing & Digital Cultures

2020-25

High School

Blackwattle Bay NSW Secondary

2017-19

Experience

Harris Farm Markets

Shift Supervisor (2024-)

Prev. Shop Assistant (2023-24)

Current position

2023-

- Attained extensive experience in teamwork, integrating into a tight roster, serving customers and using POS systems
- I was quickly promoted to Shift Supervisor in 2024, gaining much experience in staff management as well as dealing with stakeholders from partner companies

Quay Appointments

Scrutiny Officer / Data Entry Officer

2023

2024

2 references

- First worked in 2023 for the NSW State Election, initially as a Scrutiny Officer, sorting through vote ballots and determining eligibility
- As a reward for our excellent performance, my team and I were then offered a stint in Data Entry, entering votes preferences into the AEC computer system
- In 2024, I was invited back to work another contract as a Scrutiny Officer in the Sep '24 NSW Council Election

Australian Electoral Commission

Electoral Officer

2022

1 reference

- Worked as part of a diverse team administrating the vote in the 2022 federal election, assessing the electoral roll and assisting voters
- Gained valuable experience working with others in a fast-moving environment
